The Republican Party: Documents Decoded By Douglas B. Harris, Lonce H. Bailey

Will the modern Republican Party be able to convince the American people that its policies and positions are the right ones to guide the United States? This book examines the status of the Republican Party in the early 21st century, considers where it came from, and predicts where it's heading.

- Presents photographs and other visual elements that complement the story of the Republican Party
- Provides scholarly commentary and analysis on more than 60 primary documents that show students how the Republican Party has evolved over the decades, as well as the values, priorities, and political strategies of its current leadership
- Includes a bibliography containing books, media, and websites that directs readers to additional sources of information

Editorial Review

Review

"The documents are uniformly interesting, and some have been edited for length. There is a good subject and personal name index. This volume, part of the publisher's **Documents Decoded** series, complements a similar book on the Democratic Party (2014) and one on presidential campaigns (CH, May'14, 51-4801). Suitable for academic or public library collections. Summing Up: Highly recommended. All academic audiences; general readers; journalists." - **Choice**

About the Author

Douglas B. Harris, PhD, is associate professor of political science at Loyola University Maryland.

Lonce H. Bailey, PhD, is assistant professor of political science at Shippensburg University of Pennsylvania.

Users Review

From reader reviews:

Raymond Levine:
