Discovering Our Past: A Brief Introduction to Archaeology By Wendy Ashmore, Robert J. Sharer

Discovering Our Past: A Brief Introduction to Archaeology introduces students to the techniques, methods, and theoretical frameworks of contemporary archaeology in a brief format. Adopted and streamlined from the authors' hardcover text, *Archaeology: Discovering Our Past*, this book provides students with a variety of archaeological perspectives through comprehensive information on contemporary methods and theories. Illustrative examples and case studies represent a temporal and geographic balance of both Old and New World sites.
