### Granny Dan By Danielle Steel

In my eyes she had always been old, always been mine, always been Granny Dan. But in another time, another place, there had been dancing, people, laughter, love. . . . She had had another life before she came to us, long before she came to me. . . .

She was the cherished grandmother who sang songs in Russian, loved to roller-skate, and spoke little of her past. But when Granny Dan died, all that remained was a box wrapped in brown paper, tied with string. Inside, an old pair of satin toe shoes, a gold locket, and a stack of letters tied with ribbon. It was her legacy, her secret past, waiting to be discovered by the granddaughter who loved her but never really knew her. It was a story waiting to be told. . . .

The year was 1902. A new century was dawning as a motherless young girl arrived at a ballet school in St. Petersburg, Russia, at the age of seven. By age seventeen, Danina Petroskova had become a great ballerina, a favorite of the Czar and Czarina, who welcomed her into the heart of the Imperial family. But events both near and far away shook the ground upon which she danced. A war, an extraordinary man, and a devastating illness altered the course of her life. And when revolution shattered Russia, Danina Petroskova was forced to make a heartbreakin choice as the world around her was about to change forever.

**Granny Dan** is about the magic of history. In it, Danielle Steel reminds us how little we know of those who came before us and how, if we could only glimpse into their early lives, and see who they once were, there is so much we would understand and learn. For in this extraordinary novel, a simple box, filled with mementos from a grandmother, offers the greatest legacy of all: an unexpected gift of a life transformed, a long-forgotten history of youth and beauty, love and dreams.

### Editorial Review

#### Amazon.com Review

For over a decade, young Danina Petroskova has known no life but that of the ballet and her mentor Madame Markova. When a deathly illness steals her from the stage, the young dancer is inconsolable, and, desperate to speed her recovery, Madame Markova agrees to hand Danina over to the talented Dr. Nikolai Obrajensky for treatment. Convalescing with the Romanovs at the Tsarskoe Selo palace, Danina learns to live in and love the world beyond the ballet. And while grateful for Nikolai's companionship, she is startled by the intense emotions growing inside her for the married doctor. Drawn to Danina, Nikolai cannot ignore the passion between them either, and the strength of their love quickly overpowers their resistance. Soon Madame Markova and Nikolai's wife remind them of their previous obligations, and as the Revolution hovers on the horizon, the two must make a decision that will change their lives forever.

As if a romance set in the twilight years of czarist Russia doesn't have enough intrinsic pathos, Danielle Steel takes great care to give her hero and heroine the bittersweet combination of incomparable virtue and external duties. When the young prima ballerina and the married doctor meet, they are drawn to the corresponding sense of integrity and duty in each other. However, when love and duty conflict, the struggle is never easy.

Maestro Steel knows where the heartstrings are, and she plays them with her reliable talents. While students of history may cringe at the simplified approach to the historical period, readers just looking for a good time have found it. With the tough-but-loving mother figure, the ill-but-lovable Prince Alexander, the borrowed ball gowns, and the emotional grand jeté, this book has everything a TV movie needs except a small, cuddly pet. Put your feet up, set aside your spoilsport logic, and enjoy this novel for what it is: a classic romance. --

#### From Publishers Weekly

In a fable compact enough to be swallowed in a single gulp, the prolific Steel (*Bittersweet*) offers a granddaughter's tribute to Danina Petroskova, "Granny Dan," a Russian immigrant who left the glamorous world of the St. Petersburg Ballet and lived thereafter as a Vermont housewife. The unnamed narrator always loved her grandmother, with her elegant braided hair, roller skates and soft Russian accent. Granny Dan rarely speaks of her life in Russia before the revolution, but when she dies, at almost 90, the narrator inherits a pair of ballet shoes and a packet of love letters that tell the dramatic story of her former existence.

Committed at age seven to the ballet, in her teens Danina becomes a prima ballerina who enchants the czar and czarina, becoming the royal children's boon companion. Stricken by influenza at 19, Danina's life is saved by Czarevitch Alexei's physician, Nikolai Obrajensky, with whom she falls passionately in love. This fairy tale is fully outfitted with dreamy details such as ermine-trimmed gowns, covered sleighs and royal balls in glittering palaces. The historical technicalities are glossed over: in this book the Russian czar is a nice man who let the revolution go too far because he wanted his people to express their feelings. The love story is pure melodrama, with Nikolai a princely man married to a "dreadful Englishwoman," and the couple tormented by their unquenchable passions, lofty joys and ultimate tragedy. Steel doesn't unfold the plot so much as restate the same point: that Granny Dan led an extraordinary life of romance and heartbreak; this slim confection holds few surprises in telling the Cinderella story in reverse.

#### From Library Journal

Granny has a secret that comes out after her death: she was a great ballerina, favored by the tsar, until love, illness, and the revolution intervened.

## Users Review

### From reader reviews:

#### **Florence Croy:**

As people who live in often the modest era should be change about what going on or information even knowledge to make these keep up with the era which is always change and advance. Some of you maybe will update themselves by examining books. It is a good choice for you personally but the problems coming to you actually is you don't know what kind you should start with. This Granny Dan is our recommendation to make you keep up with the world. Why, since this book serves what you want and wish in this era.

#### **Jimmy Borrelli:**

Would you one of the book lovers? If yes, do you ever feeling doubt if you find yourself in the book store? Attempt to pick one book that you find out the inside because don't judge book by its protect may doesn't work is difficult job because you are afraid that the inside maybe not because fantastic as in the outside appear likes. Maybe you answer may be Granny Dan why because the excellent cover that make you consider regarding the content will not disappoint you actually. The inside or content is fantastic as the outside or perhaps cover. Your reading sixth sense will directly make suggestions to pick up this book.

#### **Diane Worrell:**

You are able to spend your free time to study this book this book. This Granny Dan is simple bringing you can read it in the playground, in the beach, train as well as soon. If you did not have got much space to bring often the printed book, you can buy often the e-book. It is make you easier to read it. You can save the book in your smart phone.
