## The Secret Destiny of America By Manly P. Hall

From the author of the landmark *Secret Teachings of All Ages* comes two classic works on the mysterious origins and unique mission of America: *The Secret Destiny of America* and *America's Assignment with Destiny*.

Focusing on often-forgotten moments in history, Manly P. Hall proposes that there was a Great Plan put forth one thousand years before our nation's founding: humanistic and mystical organizations wished for the continent to be the location for an experiment in self-government and religious freedom.

As one of the leading esoteric scholars of the twentieth century, Hall offers an intriguing view of our past, discussing everything from the symbolism of the Great Seal of the U.S. to the prophecy announced at George Washington's birth.

## **Editorial Review**

### **From the Publisher**

The Philosophical Research Society is a nonprofit organization founded in 1934 for the purpose of assisting thoughtful persons to live more graciously and constructively in a confused and troubled world. The Society is entirely free from educational, political, or ecclesiastical control. Dedicated to an idealistic approach to the solution of human problems, the Society's program stresses the need for the integration of religion, philosophy, and the science of psychology into one system of instruction. The goal of this instruction is to enable the individual to develop a mature philosophy of life, to recognize his proper responsibilities and opportunities, and to understand and appreciate his place in the unfolding universal pattern.

### **From the Back Cover**

Back in print at last, America's place in the essential progress of civilization is emphasized as the story unfolds of how our continent was set aside for the great experiment of enlightened self-government. Drawing upon often neglected fragments of history, evidence is presented which indicates that the seeds of this plan for the founding of America were planted one thousand years before the beginning of the Christian era. Whether discussing the symbolism of the Great Seal of the U.S.S or the mysterious stranger who swayed the signers of the Declaration of Independence, here is a book sure to fascinate. It shows how the brilliant plan of the ancients, concealed from the common view, has survived to the present day and will continue to function until the great work is accomplished.
