Tournament Poker for Advanced Players: Expanded Edition By David Sklansky

Tournament poker is very different from standard ring game poker. While they might appear the same from a distance, there are many differences in proper strategy that are often unknown to many experienced cash game players. Some players excel at tournament poker. This is not luck -- these are players who have a very strong understanding of what the proper strategy adjustments are, and when they come into play. It is no coincidence that the same players make it to final tables far more than their fair share. This book explains tournament strategies that only a small number of players have mastered. It assumes you already know how to play poker well, but aren't knowledgeable of tournament-specific concepts and when and where to use them. Some of the ideas discussed include the effect of going broke, the Gap Concept, how chips change value, adjusting strategy to rising stakes, all-in strategy, final table play, making deals, the "System," focusing on weaker opponents, unusual plays with aces and kings, moving in against the blind, and much more. This newly expanded version contains over 100 new pages of updated material dedicated almost entirely to today;s most popular form of tournament poker: no-limit hold 'em.

Editorial Review

About the Author

David Sklansky is generally considered the number one authority on gambling in the world today. Besides his twelve books on the subject, David also has produced two videos and numerous writings for various gaming publications. His occasional poker seminars always receive an enthusiastic reception, including those given at the Taj Mahal in Atlantic City and the World Series of Poker in Las Vegas. More recently, David has been doing consulting work for casinos, Internet gaming sites, and gaming device companies. He has recently invented several games, soon to appear in casinos. David attributes his standing in the gambling community to three facts: 1. The fact that he presents his ideas as simply as possible (sometimes with Mason Malmuth) even though these ideas frequently involve concepts that are deep, subtle, and not to be found elsewhere. 2. The fact that David's teachings have proven to be accurate. 3. The fact that to this day a large portion of his income is still derived from gambling (usually poker, but occasionally blackjack, sports betting, horses, video games, casino promotions, or casino tournaments). Thus, those who depend on David's advice know that he still depends on it himself.

Users Review

From reader reviews:

Barbara Akins:

As people who live in often the modest era should be up-date about what going on or info even knowledge to make these keep up with the era and that is always change and move ahead. Some of you maybe will update themselves by examining books. It is a good choice for you personally but the problems coming to an individual is you don't know which one you should start with. This Tournament Poker for Advanced Players: Expanded Edition is our recommendation to cause you to keep up with the world. Why, because book serves what you want and wish in this era.

Joseph Cobble:

Reading a reserve tends to be new life style with this era globalization. With examining you can get a lot of information that can give you benefit in your life. With book everyone in this world could share their idea. Books can also inspire a lot of people. Plenty of author can inspire their particular reader with their story or maybe their experience. Not only the storyplot that share in the textbooks. But also they write about the knowledge about something that you need illustration. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book which exist now. The authors on this planet always try to improve their ability in writing, they also doing some study before they write on their book. One of them is this Tournament Poker for Advanced Players: Expanded Edition.

John Stewart:

Reading can called mind hangout, why? Because if you find yourself reading a book specifically book

entitled Tournament Poker for Advanced Players: Expanded Edition the mind will drift away through every dimension, wandering in every aspect that maybe mysterious for but surely might be your mind friends. Imaging every word written in a reserve then become one web form conclusion and explanation which maybe you never get before. The Tournament Poker for Advanced Players: Expanded Edition giving you another experience more than blown away your head but also giving you useful details for your better life on this era. So now let us teach you the relaxing pattern at this point is your body and mind are going to be pleased when you are finished reading through it, like winning a sport. Do you want to try this extraordinary spending spare time activity?

Gary Carter:

Your reading 6th sense will not betray a person, why because this Tournament Poker for Advanced Players: Expanded Edition reserve written by well-known writer who really knows well how to make book which might be understand by anyone who read the book. Written with good manner for you, still dripping wet every ideas and composing skill only for eliminate your hunger then you still uncertainty Tournament Poker for Advanced Players: Expanded Edition as good book not simply by the cover but also with the content. This is one reserve that can break don't assess book by its deal with, so do you still needing one more sixth sense to pick this!? Oh come on your looking at sixth sense already said so why you have to listening to a different sixth sense.
