Cambridge International AS and A Level Chemistry Coursebook with CD-ROM (Cambridge International Examinations) By Roger Norris, Lawrie Ryan

Covers all the requirements of the Cambridge International AS and A Level Chemistry syllabus (9701). Written by highly experienced authors, Cambridge International AS and A Level Chemistry comprehensively covers the Cambridge syllabus and is now available in both print and e-book formats. Simple and clear language, colourful photos and international examples make this book accessible to students around the world. Exam-style questions at the end of each chapter reinforce knowledge and skills and offer thorough exam practice. The print book includes a Student CD-ROM of supplementary materials including test-yourself-questions, study skills guidance, animations and advice on the practical examination. These supplementary materials (with the exception of the animations) are also included in the e-book version.

Editorial Review

Users Review

From reader reviews:

Peggy Mitchum:

Reading a guide tends to be new life style with this era globalization. With examining you can get a lot of information which will give you benefit in your life. Using book everyone in this world could share their idea. Ebooks can also inspire a lot of people. Plenty of author can inspire their very own reader with their story or maybe their experience. Not only situation that share in the ebooks. But also they write about the knowledge about something that you need example of this. How to get the good score toefl, or how to teach children, there are many kinds of book that exist now. The authors on earth always try to improve their talent in writing, they also doing some investigation before they write to their book. One of them is this Cambridge International AS and A Level Chemistry Coursebook with CD-ROM (Cambridge International Examinations).

Rebecca Muldoon:

You could spend your free time to study this book this e-book. This Cambridge International AS and A Level Chemistry Coursebook with CD-ROM (Cambridge International Examinations) is simple to bring you can read it in the park your car, in the beach, train and soon. If you did not possess much space to bring the actual printed book, you can buy the particular e-book. It is make you much easier to read it. You can save typically the book in your smart phone. So there are a lot of benefits that you will get when you buy this book.

Kenneth Rogers:

Many people spending their moment by playing outside along with friends, fun activity using family or just watching TV the whole day. You can have new activity to shell out your whole day by reading through a book. Ugh, think reading a book will surely hard because you have to take the book everywhere? It ok you can have the e-book, bringing everywhere you want in your Mobile phone. Like Cambridge International AS and A Level Chemistry Coursebook with CD-ROM (Cambridge International Examinations) which is keeping the e-book version. So , try out this book? Let's observe.

Catharine Rosol:

A number of people said that they feel bored stiff when they reading a reserve. They are directly felt that when they get a half elements of the book. You can choose the book Cambridge International AS and A Level Chemistry Coursebook with CD-ROM (Cambridge International Examinations) to make your reading

is interesting. Your skill of reading proficiency is developing when you such as reading. Try to choose straightforward book to make you enjoy to read it and mingle the idea about book and studying especially. It is to be initial opinion for you to like to open a book and read it. Beside that the publication Cambridge International AS and A Level Chemistry Coursebook with CD-ROM (Cambridge International Examinations) can to be your brand new friend when you're really feel alone and confuse in doing what must you're doing of these time.
