#### From the Inside Flap

Now is the time to get started in commercial lending.

The residential lending market is soft, but the commercial mortgage sector is alive and well. If you've been struggling in the residential mortgage business, now is a great time to make the jump to more profitable commercial loans. In *Getting Started as a Commercial Mortgage Broker*, longtime real estate professional Peter Gineris puts you on the fast track to a six-figure income in commercial mortgages.

The first comprehensive guide dedicated solely to the commercial brokerage business, this book covers the entire process—from application to closing—and explains all the ins and outs of the industry. Step by step, you'll learn how to get started in the business on a full-time or part-time basis and how to build your business into a steady six-figure income. Best of all, in most cases, you don't need any special training, education, or licensing in order to practice. All you need is the straightforward guidance you'll find right here.

Gineris explains all the basics of commercial mortgages, then goes on to reveal his own inside secrets based on his many years of professional experience. No other book on the market gives you such proven, firsthand insight on commercial mortgages. Start reading and:

- Master the basic steps and learn the process
- Understand the various types of commercial loans
- Learn to present and submit winning loans to lenders
- Stay within legal and ethical guidelines
- Earn \$3,000 per month or more in your spare time
- Grow your business to a bigger, more profitable level
- Find your niche and corner your market

With low commercial interest rates, there's no better time to get into commercial mortgages than right now. If you follow the steps in this straightforward guide, you'll learn to make so much money it hardly seems fair. *Getting Started as a Commercial Mortgage Broker* is your gateway to a new, profitable career in today's real estate sector.
