### Just Call My Name By Holly Goldberg Sloan

**The *New York Times* bestselling author of *Counting By 7s*, Holly Goldberg Sloan, crafts a powerful drama that follows up her debut young adult novel, *I'll Be There*.** Emily Bell has it all-or so she thinks. She's in love with a boy named Sam, and this summer is destined to be the best they've ever known. No one suspects that Sam's violent father, who blames the Bell family for his incarceration, is planning a jailbreak. Meanwhile, Sam and Emily's idyllic romance is under fire from a charismatic new girl in town, and Emily begins to question the loyalty of the person she thought she could trust most. But when true danger comes knocking, her only hope for survival may be from the most unexpected place.

Called "immensely satisfying, heartfelt, and lyrical" by *SLJ*, this riveting story of friends and enemies-and how those roles can shift in a matter of moments-is now available in paperback.

## Editorial Review

From School Library Journal

Gr 8 Up—After 10 years on the run with their paranoid schizophrenic father, brothers Sam and Riddle have found a home with Emily's family. Sam enrolls in school after a long hiatus, and Riddle emerges from his protective shell. Sam and Emily's burgeoning relationship is tenderly romantic in its authenticity. The boy finally breathes a sigh of relief—but should he? Their father, Clarence, has escaped from jail with plans of revenge. Newcomer Destiny, figuratively and literally, sets her sights on Sam and is taking no prisoners. What should have been the summer of love for the young couple ends in a dramatic confrontation with the violent Clarence. Fans of Sloan's *I'll Be There* (Little, Brown, 2011) will be thrilled to be reunited with Sam, Riddle, and Emily in this immensely satisfying, heartfelt, and lyrical sequel. The author's simplistic writing style allows readers to connect intimately with the characters and makes for a truly compelling novel. The only flaw in an otherwise outstanding book is a too-tidy ending. Sloan succeeds in skillfully combining the tenderness of young love, various distinct voices, and fast-paced action. Teens need not have read the first book to understand the protagonists' background, appreciate where they are, and hope for the best for their bright futures.—Laura Falli, McNeil High School, Austin, TX

Review

### Praise for *Just Call My Name*:

"Immensely satisfying, heartfelt, and lyrical.... A truly compelling novel.... Sloan succeeds in skillfully combining the tenderness of young love, various distinct voices, and fast-paced action."

?*School Library Journal*

"Strong dialogue and genuine emotional concern...make this a heart-warming novel.... Definitely a book worth the read."?VOYA

"Lively, tender, and satisfying."?The Horn Book

"[Delivers] an ultimately hopeful message about how friendships and families can form. Sure to be savored by fans of the first installment."?Kirkus Reviews

"Destinies collide in Sloan's thrilling sequel to her heart-wrenching *I'll Be There*. The fast-paced plot, complex story lines, and compelling characters grab readers from the get-go."?Booklist
