Life After Death: The Burden of Proof By Deepak Chopra

Deepak Chopra has touched millions of readers by demystifying our deepest spiritual concerns while retaining their poetry and wonder. Now he turns to the most profound mystery: What happens after we die? Is this one question we were not meant to answer, a riddle whose solution the universe keeps to itself? Chopra tells us there is abundant evidence that “the world beyond” is not separated from this world by an impassable wall; in fact, a single reality embraces all worlds, all times and places. At the end of our lives we “cross over” into a new phase of the same soul journey we are on right this minute.

In *Life After Death*, Chopra draws on cutting-edge scientific discoveries and the great wisdom traditions to provide a map of the afterlife. It’s a fascinating journey into many levels of consciousness. But far more important is his urgent message: Who you meet in the afterlife and what you experience there reflect your present beliefs, expectations, and level of awareness. In the here and now you can shape what happens after you die.

By bringing the afterlife into the present moment, *Life After Death* opens up an immense new area of creativity. Ultimately there is no division between life and death—there is only one continuous creative project. Chopra invites us to become cocreators in this subtle realm, and as we come to understand the one reality, we shed our irrational fears and step into a numinous sense of wonder and personal power.

Editorial Review

From Publishers Weekly

Starred Review. In India death is perceived very differently than in the West, "as a brief stopping point on an endless soul journey," says Chopra in this introduction to life beyond bodily existence. Chopra, a medical doctor and world leader in mind-body medicine as well as author of more than 45 books, now ventures to answer: what happens after we die? For Chopra, death deserves to be called miraculous, a "doorway to a far more important event—the beginning of the afterlife" and a mode of being that "can be as creative as living." Chopra effectively uses the classic Vedanta story of Savitri—a woman who comes home to find death, Lord Yama, waiting to take her husband, and who seeks the monk Ramana's advice to outwit death—to frame each chapter. Chopra grounds each topic in the long arc of this singular story, which is the perfect springboard for Chopra to introduce concepts such as Akasha (the highest stage a soul can attain) and Eternity within the Indian tradition (where we are beyond death, life, maleness, femaleness, and the experience of time). Chopra presents a fascinating account of life after death for Westerners that will certainly please his avid fans and draw in new readers as well. (Nov.)

Review

"A must read for everyone who will die." —Candace B. Pert, Ph.D., author of *Molecules of Emotion*

"A penetrating and insightful investigation into the greatest mystery of existence. This is an important book because only by facing death will we come to a deeper realization of who we are." —Eckhart Tolle, author of *The Power of Now*

"If I had any doubts about the afterlife, I don't have them anymore. Deepak Chopra has cast his inimitable light on the darkened corners of death. I think this is his greatest contribution yet." —Marianne Williamson, author of *The Gift of Change*

"Deepak Chopra . . . takes us to the edge of our own deepest inner truth about life after death by sharing with us his vision and his wisdom, which, as always, is breathtaking, healing, and soul-opening." —Neale Donald Walsch, author of *Home with God: In a Life That Never Ends*

"Deepak Chopra has written a masterpiece that is long overdue in our spiritual culture. *Life After Death: The Burden of Proof* is a bold and comforting guide into the afterlife." —Caroline Myss, author of *Anatomy of the Spirit* and *Sacred Contracts*

"By marrying science and wisdom in *Life After Death*, Chopra builds his case for an afterlife in which our most essential self, the seer that observes our experiences in this temporary home that we call the self, uses the end of this lifetime to pass over into the next. This is an intellectual and spiritual tour de force."

—Professor Robert Thurman, Columbia University, author of *Infinite Life* and *The Tibetan Book of the Dead*

About the Author

Deepak Chopra is the founder of the Chopra Center for Well Being (chopra.com) and president of the Alliance for a New Humanity (anhglobal.org).

From reader reviews:

Stephen Comerford:

What do you with regards to book? It is not important with you? Or just adding material if you want something to explain what the ones you have problem? How about your spare time? Or are you busy individual? If you don't have spare time to do others business, it is make you feel bored faster. And you have free time? What did you do? Every person has many questions above. The doctor has to answer that question because just their can do that. It said that about book. Book is familiar on every person. Yes, it is suitable. Because start from on pre-school until university need this particular Life After Death: The Burden of Proof to read.

Hoyt Adkins:

Your reading sixth sense will not betray you actually, why because this Life After Death: The Burden of Proof book written by well-known writer whose to say well how to make book that can be understand by anyone who all read the book. Written in good manner for you, dripping every ideas and producing skill only for eliminate your own personal hunger then you still uncertainty Life After Death: The Burden of Proof as good book not simply by the cover but also by content. This is one book that can break don't judge book by its include, so do you still needing a different sixth sense to pick this specific!? Oh come on your reading through sixth sense already told you so why you have to listening to an additional sixth sense.

Michael Major:

As we know that book is essential thing to add our information for everything. By a book we can know everything we wish. A book is a set of written, printed, illustrated or perhaps blank sheet. Every year has been exactly added. This guide Life After Death: The Burden of Proof was filled about science. Spend your time to add your knowledge about your scientific research competence. Some people has distinct feel when they reading some sort of book. If you know how big selling point of a book, you can really feel enjoy to read a guide. In the modern era like at this point, many ways to get book that you simply wanted.

Ronny Baird:

What is your hobby? Have you heard that will question when you got college students? We believe that that query was given by teacher to their students. Many kinds of hobby, Everybody has different hobby. And you know that little person just like reading or as reading through become their hobby. You have to know that reading is very important as well as book as to be the issue. Book is important thing to provide you knowledge, except your teacher or lecturer. You find good news or update regarding something by book. Different categories of books that can you go onto be your object. One of them is actually Life After Death: The Burden of Proof.
