**My Warrior (Knights of de Ware) By Glynnis Campbell**

"Will have readers clamoring for more." (*Romantic Times*)

"Sparkles with humor...A delightful book!" (Katherine Sutcliffe)

In *My Champion*, Glynnis Campbell introduced readers to the noble de Ware brothers-Duncan, Holden, and Garth-men as reckless, forceful, and unstoppable on the battlefield as they are in the bedroom. Now Holden returns in the newest romantic saga.

"A sexy, light-hearted romp." (Rexanne Becnel)

Trained since she was a young girl in the skills needed to assume leadership of her clan, Cambria Gavin must take control earlier than she expected when her father, the present Laird, is brutally murdered by Englishmen who had sworn to uphold the Gavin clan's rights to their lands. Blaming Holden de Ware, the English knight sent by King Edward to assume control of the Scottish borders, for her father's murder, Cambria vows to avenge her father's death, even if it means fighting Holden herself. Now Holden faces an unfamiliar foe, one he cannot fight on a battlefield but instead must vanquish in a different way. With consummate skill and in realistic detail, Campbell expertly evokes both the richness and the brutality of the medieval world in her latest historical, the second in a trilogy featuring the de Ware brothers. Romance fans who crave action-filled historicals will relish reading about Cambria's and Holden's adventures as they battle their way to true love.

#### About the Author

Born in Paradise, California, Glynnis Campbell (also writing as Sarah McKerrigan and Kira Morga) has embraced her inner Gemini by leading an eclectic life. As a teen, she danced with the Sacramento Ballet, worked in her father's graphic arts studio, and composed music for award-winning science films. She sang arias in college, graduating with a degree in Music, then toured with The Pinups, an all-girl rock band on CBS Records. She once played drums for a Tom Jones video and is currently a voice-over actress with credits including "Star Wars" audio adventures, JumpStart educational CDs, Diablo and Starcraft video games, and the MTV animated series, "The Maxx."

She now indulges her lifelong love of towering castles, trusty swords, and knights (and damsels) in shining armor by writing historical romances featuring kick-arse heroines. She is married to a rock star, is the proud mom of two grown-up nerds, and lives in a part of L.A. where nobody thinks she's weird.
