## Plutarch's Advice to the Bride and Groom and A Consolation to His Wife: English Translations, Commentary, Interpretive Essays, and Bibliography

By Plutarch

While perhaps best known for his *Lives*, Plutarch also wrote philosophical dialogues that constitute a major intellectual legacy from the first century A.D. This collection presents two important short works from his writings in moral philosophy. They reveal Plutarch at his best--informative, sympathetic, rich in narrative--and are accompanied by an extensive commentary that situates Plutarch and his views on marriage in their historical context.

### **Editorial Review**

#### **Review**

"In this highly energised field of debate [of ancient sexuality], Pomeroy's own contributions to this volume stand out for both their purposeful clarity and their defiant defence of historical narrative as a mode of explanation...This is a useful collection that will, no doubt, well serve its intended readership of students pursuing courses on women, gender and the family." --Tim Whitmarsh, St. John's College, Cambridge University

"Valuable... the latest in Sarah Pomeroy's impressive list of publications on women and gender in the ancient world... Helpful, informative and well written." Ancient History Bulletin

#### **Language Notes**

Text: English, Greek (translation)

Original Language: Greek

#### **About the Author**

Mestrius Plutarchus (c. 46-127), known in English as Plutarch, was a Greek historian, biographer, and essayist. Sarah B. Pomeroy is at Hunter College, Graduate Center of the City University of New York.

### **Users Review**

#### **From reader reviews:**

##### **Charlotte Kuester:**

You can search the enormous world by open up and read a e-book. So it is very wonderful.

**Linda Matthews:**

As a college student exactly feel bored to reading. If their teacher requested them to go to the library in order to make summary for some publication, they are complained. Just minor students that has reading's soul or real their hobby. They just do what the instructor want, like asked to the library. They go to right now there but nothing reading significantly. Any students feel that reading is not important, boring and also can't see colorful photos on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this Plutarch's Advice to the Bride and Groom and A Consolation to His Wife: English Translations, Commentary, Interpretive Essays, and Bibliography can make you truly feel more interested to read.
