Preparing to Teach Texas Content Areas: The TExES EC-6 Generalist & the ESL Supplement (2nd Edition) (Pearson Custom Education) By Janice L. Nath, John M. Ramsey

Opening with a comprehensive tutorial on study skills, this text then guides the student through each of the eight content areas: language arts and reading, mathematics, social studies, science, art, music, health and physical education, and theatre arts. Illuminated through sample lesson plans, lesson plan prompts, classroom observation forms, and practice questions, each content area is concretely applied to classroom practice. This concise guide also helps students understand many of the basic theories and methodologies behind best practices for each content area. The book concludes with preparatory information on ESL supplemental certification.

Once the access code is activated, the subscription is valid for six months.
