Proven Guilty (The Dresden Files, Book 8) By Jim Butcher

Wizard for hire Harry Dresden has to track down the things that go bump in the night in this novel in Jim Butcher's #1 *New York Times* bestselling series.

There's no love lost between Harry Dresden, the only wizard in the Chicago phone book, and the White Council of Wizards, who find him brash and undisciplined. But war with the vampires has thinned their ranks, so the Council has drafted Harry as a Warden and assigned him to look into rumors of black magic in the Windy City.

As Harry adjusts to his new role, another problem arrives in the form of the tattooed and pierced daughter of an old friend—all grown up and already in trouble. Her boyfriend is the only suspect in what looks like a supernatural assault straight out of a horror film. Malevolent entities that feed on fear are loose in Chicago, but it's all in a day's work for a wizard, his faithful dog, and a talking skull named Bob...

Editorial Review

From Publishers Weekly

Harry Dresden, Chicago's only consulting wizard, takes on phobophages, creatures that feed on fear who attack a horror film convention, in the diverting eighth installment of Butcher's increasingly complicated Dresden Files series (*Dead Beat*, etc.). Harry finds that fighting monsters is only the prelude to maneuvers amid the warring wizards of the White Council and the vampire Red Court. Less and less V.I. Warshawski with witchcraft, Harry aims his deductive powers at political intrigues rather than crime solving. The body count from the magical melees, however, would do any hard-boiled gumshoe proud. Butcher's believable, likable set of characters go for the jocular much more than the jugular. Deeper fears do run through the book, and Harry, taking on an apprentice, has to face up to the consequences of his all-too-human failings. Look for the series to really take off with the debut of a two-hour pilot on the Sci-Fi Channel this summer produced by Nicholas Cage. (May)

The second Dresden Files hardcover finds Chicago wizard Harry Dresden assigned an unpleasant task by the White Council of Wizards. He has to find out where the Winter Fairy Court stands in the White Council's war against the vampires. To make matters worse, he has gotten a missive from a powerful wizard claiming someone is using black magic in Chicago. It doesn't take long for Harry to pinpoint the source of the problem. Molly, the daughter of a close friend, comes to him for help after her boyfriend is accused of attacking an elderly theater owner at a horror-movie convention. When another attack occurs and Harry sees the dangerous type of magic used, he knows he is dealing with a very serious threat indeed. Butcher is in fine form here, and with the Sci Fi channel in the process of turning the first Dresden Files novel, *Storm Front* (2000), into a TV movie, expect the series' audience to grow. *Kristine Huntley*

Review

Praise for the Dresden Files

“Think *Buffy the Vampire Slayer* starring Philip Marlowe.”—*Entertainment Weekly*

“Fans of Laurell K. Hamilton and Tanya Huff will love this series.”—*Midwest Book Review*

“Superlative.”—*Publishers Weekly* (starred review)

“One of the most enjoyable marriages of the fantasy and mystery genres on the shelves.”—*Cinescape*

“Butcher...spins an excellent noirish detective yarn in a well-crafted, supernaturally-charged setting. The supporting cast is again fantastic, and Harry's wit continues to fly in the face of a peril-fraught plot.”—*Booklist* (starred review)

“What's not to like about this series?...It takes the best elements of urban fantasy, mixes it with some good old-fashioned noir mystery, tosses in a dash of romance and a lot of high-octane action, shakes, stirs, and serves.”—*SF Site*

“A tricky plot complete with against-the-clock pacing, firefights, explosions, and plenty of magic. Longtime

series fans as well as newcomers drawn by the SciFi Channel's TV series based on the novels should find this supernatural mystery a real winner.”—*Library Journal*

“What would you get if you crossed Spenser with Merlin? Probably you would come up with someone very like Harry Dresden, wizard, tough guy and star of [the Dresden Files].”—*The Washington Times*
