**Substance Abuse Prevention: The Intersection of Science and Practice** By Julie Hogan, Kristen Gabrielsen, Nora Luna, Denise Grothaus

This text teaches students about the science-based components of substance abuse prevention practice. This cutting-edge book responds to the growing need for a textbook that addresses the rapid development of the substance abuse prevention profession. Finally, professors have a text that supports the content of their prevention courses! Substance Abuse Prevention presents the most current knowledge in the field, analyzing what does and doesn't work in the implementation of prevention programs. The text also prepares students for the successful completion of the ICRC examination.
