A Heart for Robbie By Jp Barnaby, J. P. Barnaby

Celebrated Young Adult author Julian Holmes pits the heroic characters in his *Black Heart* series against all different kinds of monsters. But when a critical heart defect threatens his son's life, he finds he has no champion. No amount of books, classes, or practice can prepare Julian for the fight to save his beautiful son's life.

Suddenly there are hospitals, transplant lists, and the nightmare of insurance red tape to navigate. In the midst of his trouble, Julian meets Simon Phelps, the insurance coordinator for Robbie's case. Simon lives so deep in the closet he might never find his way out, but he dreams of exactly what Julian has. Then one night, drunken need and desperation brings them together, and a new fight begins.

Editorial Review

Users Review

From reader reviews:

Gerard Williams:

Information is provisions for anyone to get better life, information these days can get by anyone at everywhere. The information can be a knowledge or any news even restricted. What people must be consider any time those information which is in the former life are difficult to be find than now's taking seriously which one is acceptable to believe or which one the actual resource are convinced. If you receive the unstable resource then you get it as your main information you will have huge disadvantage for you. All those possibilities will not happen with you if you take A Heart for Robbie as the daily resource information.

Christopher Patterson:

Do you one of the book lovers? If so, do you ever feeling doubt while you are in the book store? Try to pick one book that you just dont know the inside because don't evaluate book by its deal with may doesn't work at this point is difficult job because you are afraid that the inside maybe not because fantastic as in the outside search likes. Maybe you answer could be A Heart for Robbie why because the wonderful cover that make you consider about the content will not disappoint anyone. The inside or content is definitely fantastic as the outside as well as cover. Your reading 6th sense will directly show you to pick up this book.

Carolyn Charles:

In this era globalization it is important to someone to acquire information. The information will make anyone to understand the condition of the world. The health of the world makes the information better to share. You can find a lot of personal references to get information example: internet, magazine, book, and soon. You can see that now, a lot of publisher this print many kinds of book. The book that recommended for you is A Heart for Robbie this e-book consist a lot of the information in the condition of this world now. This specific book was represented how can the world has grown up. The dialect styles that writer make usage of to explain it is easy to understand. The actual writer made some analysis when he makes this book. This is why this book acceptable all of you.

Arthur Faust:

Is it anyone who having spare time subsequently spend it whole day through watching television programs or just lying on the bed? Do you need something totally new? This A Heart for Robbie can be the response, oh how comes? A fresh book you know. You are and so out of date, spending your time by reading in this new era is common not a nerd activity. So what these guides have than the others?
