### Night Owl Reviews

*I loved this book!*

"...I think this book tops the first, but in no way is the first one bad, it's great too! If you have not read Blood Destiny, I suggest you read that then read this next. Great work Tessa. Another one for the keeper pile!"

### From the Author

**Blood Awakening** was an incredible exploration for me -- to take an ancient, hardened character, who carries the weight of the world on his shoulders, and try and find the cracks in his "humanity." Marquis Silivasi is unlike any of the other Silivasi brothers. He's gruff; he comes off like a block of ice; and he is relentless about protecting his family ~ to the point of seeming heartless at times. Yet underneath that granite exterior is a heart of gold. Underneath that fierce protection lies a powerful motivation: undying love and loyalty for those he is sworn to protect. Marquis's story takes the reader on this Ancient Master Warrior's journey to awakening.

Other books in the Dark Fantasy Blood Curse Series include Blood Destiny (1), Blood Awakening (2), Blood Possession (3), Blood Shadows (4), Blood Redemption (5), Blood Father (6), Blood Vengeance (7), and Blood Ecstasy (8). The series is ongoing. Other books by the author: Dragons Realm, Zanaiskeyros ~ Son of Dragons, & Daywalker ~ The Beginning.

### About the Author

Tessa Dawn grew up in Colorado where she developed a deep affinity for the Rocky Mountains. After graduating with a degree in psychology, she worked for several years in criminal justice and mental health before returning to get her Master's Degree in Nonprofit Management.

Tessa began writing as a child and composed her first full-length novel at the age of eleven. By the time she graduated high-school, she had a banker's box full of short-stories and books. Since then, she has published works as diverse as poetry, greeting cards, workbooks for kids with autism, and academic curricula. The Blood Curse Series marks her long-desired return to her creative-writing roots and her first foray into the Dark Fantasy world of vampire fiction.

Tessa currently splits her time between the Colorado suburbs and mountains with her husband, two children, and "one very crazy cat." She hopes to one day move to the country where she can own horses and what she considers "the most beautiful creature ever created" -- a German Shepherd.

Writing is her bliss.
