Chronicles of Ancient Darkness #3: Soul Eater By Michelle Paver

It's winter, and Wolf, Torak's beloved pack-brother, has been captured by an unknown foe. In a desperate bid to rescue him, Torak and Renn must brave the frozen wilderness of the Far North.

As they battle for survival amid howling blizzards and the ever-present menace of the great white bear, their friendship is tested to the breaking point, and Torak is forced to get closer to his enemies than ever before. . . .

Soul Eater is a haunting story of loyalty and loss, a chilling portrayal of the nature of evil, and the next step in the perilous journey that began with *Wolf Brother* and *Spirit Walker*.

Editorial Review

From School Library Journal

Grade 5-8-In the third volume of this fantasy set in northern Europe 6000 years ago—just after the end of the Ice Ages—Torak and Renn, a 13-year-old boy and girl of unusual talent and skill, along with Torak's wolf-pack brother, are out hunting when Wolf disappears. Soon the pair discover evidence that he has been captured. Could the Soul-Eaters, the mages who killed Torak's father, have taken him to work some evil magic? Using his talents as a Spirit Walker, Torak inhabits the body of a raven and discovers that the Soul-Eaters have injured Wolf, bound his muzzle, and are carrying him into the far North. Torak and Renn must go after him immediately, although they are unprepared for the frigid terrain's inhospitality. Paver describes how much labor and constant attention go into simply surviving in a world so hostile to humanity, and readers will be kept on the edge of their chairs as they follow the struggle of characters who risk their lives every day trying to accomplish a task that seems certain to lead to their death. This is a stirring and thrilling sequel to *Wolf Brother* and *Spirit Walker* (both HarperCollins, 2005).—Walter Minkel, *New York Public Library*

The third entry in the ongoing *Chronicles of Ancient Darkness* series continues the momentum built up in the preceding volumes. Once again the tension is palpable and the danger excruciating. Torak and Renn must make their way into the icy wastes of the north in an attempt to rescue Wolf, who has been captured by Soul-Eaters. Fans of the series will be drawn into another mesmerizing blend of magic, convincing animal lore, and an indelibly limned environment. *Sally Estes*
