Editorial Review

About the Author

The classic "maestro" **Romano Scarpa** (1927-2005) has historically been the most popular Italian talent with American Disney comics readers. As early as his youth in Venice, Scarpa had a passion for Disney comics and cartoons, with a particular fondness for the work of Floyd Gottfredson, plotter and artist of the classic Mickey Mouse newspaper strip. In 1955, Gottfredson was forced to transform that strip—hitherto a groundbreaking adventure serial—into a gag-a-day series. In 1956, Italian editors asked Scarpa to pick up the adventure serials where Gottfredson left off, and continue the narrative for Disney's European readers.

Scarpa crafted legendary Italian Mickey epics like "Kali's Nail," "The Chirikawa Necklace," and "The Delta Dimension," all of which were later reprinted in the USA to great acclaim. Apart from his Mickey work, Scarpa created two beloved thorns for Uncle Scrooge's side: brassy business-gal Brigitta MacBridge and wanna-be tycoon Jubal Pomp!

After sustaining a wildly prolific career, Scarpa retired in Spain, leaving behind a grand legacy for younger Disney writers and artists, such as Giorgio Cavazzano.

Users Review

From reader reviews:

George Falls:

The book Donald Duck: Shellfish Motives can give more knowledge and information about everything you want. Why must we leave the best thing like a book Donald Duck: Shellfish Motives? A few of you have a different opinion about book. But one aim that book can give many details for us. It is absolutely right. Right now, try to closer along with your book.
