**Exploring English Grammar: From formal to functional** By Caroline Coffin, Jim Donohue, Sarah North

This engaging textbook bridges the gap between traditional and functional grammar. Starting with a traditional approach, students will develop a firm grasp of traditional tools for analysis and learn how SFG (Systemic Functional Grammar) can be used to enrich the traditional formal approach.

Using a problem-solving approach, readers explore how grammatical structures function in different contexts by using a wide variety of thought-provoking and motivating texts including advertisements, cartoons, phone calls and chatroom dialogue. Each chapter focuses on a real world issue or problem that can be investigated linguistically, such as "mis"-translation or problems arising from a communication disorder. By working on these problems, students will become equipped to understand and analyze formal and functional grammar in different genres and styles.

With usable and accessible activities throughout, *Exploring English Grammar* is ideal for upper undergraduate and postgraduate students of English language and linguistics.

Getting deeper you onto it getting knowledge more you know or else you who still having little digest in reading this Exploring English Grammar: From formal to functional can be the light food for yourself because the information inside that book is easy to get simply by anyone. These books build itself in the form that is reachable by anyone, yeah I mean in the e-book type. People who think that in reserve form make them feel tired even dizzy this guide is the answer. So there is no in reading a book especially this one. You can find actually looking for. It should be here for anyone. So , don't miss the item! Just read this e-book kind for your better life along with knowledge.

##### **Lisa Lee:**

As a pupil exactly feel bored for you to reading. If their teacher asked them to go to the library or to make

summary for some guide, they are complained. Just small students that has reading's heart or real their hobby. They just do what the professor want, like asked to the library. They go to presently there but nothing reading significantly. Any students feel that examining is not important, boring along with can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important to suit your needs. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this Exploring English Grammar: From formal to functional can make you truly feel more interested to read.
