### **Iceman Inheritance : Prehistoric Sources of Western Man's Racism, Sexism and Aggression** By Michael Bradley, John Henrik Clarke

the iceaan inheritance is the most glaring admission about the european's attempt to dominate the world through racism.there are a large number of books on this subject but the writers tend to hedge on the subject by inferring that in spite of the atrocities and the racism brought to this world by the caucasian race,they have given the world some order,some technology and arts and letters of lasting benefit.what the authors of these books do not take into consideration is that in spite of the contributions that benefit the world,europeans in their attempt at world domination created a disastrous climate for the world's people.
