Editorial Review

Review

An all-zombie-all-the-time zombiefest, featuring a bunch of grade-school kids, including protagonist Stink and his happy comrades... McDonald's feel-good tone is deeply encouraging for readers to get up and do this for themselves because it looks like so much darned fun.

—Kirkus Reviews

Gross, creepy, and hilarious, the latest simple chapter book about the young, mischievous grade-schooler Stink has even parents, teachers, and other grown-ups joining in the nonsense as they all celebrate the joy of reading... Kids will love the gruesome wordplay, and the digital artwork extends the uproar with spooky shadows like giant cobwebs and body parts, while zombies in school uniforms lurch down Main Street. Perfect for Halloween, this will make fun reading all year round.
