

Trauma, Dissociation and Multiplicity: Working on Identity and Selves

From Brand: Routledge

Trauma, Dissociation and Multiplicity: Working on Identity and Selves

From Brand: Routledge

Trauma, Dissociation and Multiplicity provides psychoanalytic insights into dissociation, in particular Dissociative Identity Disorder (DID), and offers a variety of responses to the questions of self, identity and dissociation. With contributions from a range of clinicians from both America and Europe, areas of discussion include:

- the concept of dissociation and the current lack of understanding on this topic
- the verbal language of trauma and dissociation
- the meaning of children's art
- the dissociative defence from the average to the extreme
- pioneering new theoretical concepts on multiple bodies.

This book brings together latest findings from research and neuroscience as well as examples from clinical practice and includes work from survivor-writers. As such, this book will be of interest to specialists in the field of dissociation as well as psychoanalysts, both experienced and in training.

This book follows on from Valerie Sinason's *Attachment, Trauma and Multiplicity, Second Edition* and represents a confident theoretical step forward.

Editorial Review

Review

"This volume, edited by Valerie Sinason who has campaigned tirelessly to get the voices of multiple selves heard, brings together many well known and respected experts to share their perspectives on the still partially understood topic of dissociation in relation to trauma and multiplicity. Recommended for all those interested in furthering their understanding of the many aspects of themselves and others." - **Fiona C. Kennedy, GreenWood Mentors Ltd, Formerly Head of Psychology Services, Isle of Wight NHS, UK**

"This work seeks to help readers understand themselves as well as others, making it not only useful for mental health professionals but also for anyone who wants to gain more perspective on their identity, self, and dissociation." - **Alla Malovichko, Somatic Psychotherapy Today, Fall 2012**

About the Author

Valerie Sinason is a child, adolescent and adult psychotherapist and adult psychoanalyst. She is Director of the Clinic for Dissociative Studies, President of the Institute for Psychotherapy and Disability (IPD) and Hon Consultant Psychotherapist for the University of Cape Town Child Guidance Clinic.

Users Review

From reader reviews:

Elizabeth Brown:

What do you about book? It is not important with you? Or just adding material if you want something to explain what you problem? How about your time? Or are you busy man? If you don't have spare time to do others business, it is make you feel bored faster. And you have extra time? What did you do? Everyone has many questions above. They have to answer that question mainly because just their can do in which. It said that about reserve. Book is familiar on every person. Yes, it is proper. Because start from on pre-school until university need this Trauma, Dissociation and Multiplicity: Working on Identity and Selves to read.

Doris McNeal:

Do you among people who can't read pleasant if the sentence chained inside the straightway, hold on guys this specific aren't like that. This Trauma, Dissociation and Multiplicity: Working on Identity and Selves book is readable through you who hate those perfect word style. You will find the data here are arrange for enjoyable examining experience without leaving even decrease the knowledge that want to supply to you. The writer connected with Trauma, Dissociation and Multiplicity: Working on Identity and Selves content conveys thinking easily to understand by many people. The printed and e-book are not different in the content material but it just different by means of it. So , do you nevertheless thinking Trauma, Dissociation

and Multiplicity: Working on Identity and Selves is not loveable to be your top record reading book?

Kathryn Mullins:

Are you kind of stressful person, only have 10 as well as 15 minute in your morning to upgrading your mind talent or thinking skill perhaps analytical thinking? Then you are having problem with the book than can satisfy your short time to read it because this all time you only find publication that need more time to be read. Trauma, Dissociation and Multiplicity: Working on Identity and Selves can be your answer because it can be read by an individual who have those short extra time problems.

Deborah Browning:

Do you like reading a guide? Confuse to looking for your selected book? Or your book had been rare? Why so many concern for the book? But any people feel that they enjoy intended for reading.
